

BEAT THE BACKLIST

2025

oldie but a goodie	companion novel	title includes a type of flower	shared (zodiac) sign	baker's dozen	city skyline on the cover	way back in 2020
someone's morally gray...	based on or inspired by a true story	childhood favorite re-read	weather the storm	academia-mania	a chapter by any other name	extra, extra!
librarian rec	silhouette on the cover	character is an educator	more than 30 chapters	as seen on social media	weird is the word	celebrity book club pick
year of the snake	less than 100 pages	beyond your perspective		a bargain poorly made	between 275 - 325 pages	a wild exploration
sweet treats	sky-high	not your typical genre	language has power	can't be trusted	a title written in the stars	title starts with "v"
it's cozy time	prequel/ sequel	this book is a hoot!	name of the game	something upside down on the cover	on your TBR for over a year	break the rules
standalone debut	tiniest on the TBR	originally written in another language	not first, nor last	more than 600 pages	family business	cover features a weapon

BONUS

- unusual transportation
- opening line includes an animal
- that's not supposed to talk
- historically horrific
